
MEMORANDUM

TO: Mayor Riehl and City Council
FROM: Jody Robinson
SUBJECT: City-wide Yard Sale
DATE: 2/7/18

It's that time of year again, the time we begin to get inquiries on the City-Wide Yard Sale. IN VUE is interested in once again hosting the City-wide Yard Sale on Saturday, June 16. They request waiving the permit process and fees for the residents and businesses interesting in having yard sales that day. Early notification helps to get information disseminated and time for residents to plan for the event.

This event brings visitors throughout our neighborhoods, fosters community participation, and creates positive public relations. The feedback for this annual event has been positive.

A classified ad will be placed in the Enquirer and a yard sale map will be created. In Vue requests that residents and businesses interested in holding a yard sale contact the city at 431-8866 or jody.robinson@bellevueky.org with the address of their yard sale so they can be included in the map. There will also hold a sidewalk sale that day along historic Fairfield Avenue.

Your consideration to allow this annual event to take place with the waiving of the yard sale process is appreciated.
