### **PUBLIC NOTICE**

Date: March 16, 2020

RE: Fire House Closed to the Public Until Further Notice Due to COVID19

Due to the ongoing uncertainty of the COVID19 pandemic, Fire Department of Bellevue-Dayton is closed to the public and all non-essential personnel until further notice.

The fire department has suspended all annual business and apartment inspections. The only exception is for immediate life safety violations that may need to be immediately addressed. There also will be no CPR classes, station tours or EMS student ride-a-longs scheduled until further notice.

In the event that you need to contact the fire department for non-emergency related items, you may call our non-emergency office number at (859)261-0083.

**PLEASE NOTE:** The above will NOT CHANGE OR DELAY our responses to the daily emergencies we encounter. Always contact 911 for all emergencies.

Please remember to continue to be vigilant and maintain best practices as described by the CDC and [www.kycovid19.ky.gov](http://www.kycovid19.ky.gov). FDBD is committed to keeping our cities safe, healthy and well-protected.

We apologize for any inconvenience that these changes may cause. We thank you for your patience during this time.

Respectfully,

Chris Adkins

Fire Chief
